TO SALEM**

Salem? Wasn't that where they killed all those poor witches?

No, that was the beginning of religious intolerance against our civil *rights* as witches!

Baloney!

Here's what *really* happened.

In the 1690's, while the bloody Roman Catholic inquisition was terrorizing Europe...

Satan made a quick, two-year visit to America to destroy the Puritans.

Could Satan use a handful of young, bored, church-going girls to terrorize an entire community?

You bet he could! And why not? He's the second most powerful being in the universe.

These girls were responsible for twenty deaths. People even became afraid to look at them.

They held the lives of the community in their hands, and the girls knew it.

Here's how it began...

Life was hard in Salem Village. Bitter family feuds caused misery and hate.

They had freezing winters, Indian raids and land disputes. They had no pastor. The church was empty, dark, and adrift.

Satan found it *delightful!*

Thomas Putnam, a key player, had many enemies. Ann, his wife, despised them all.

Thomas hired the "Reverend" *Samuel Parris* as pastor, after giving in to his unusual and expensive demands.

This was the "Reverend's" first job as a pastor—he had failed as a business man.

Educated at Harvard, he owned 2 slaves from Barbados, and was arrogant, demanding and disliked.

Many opposed him, but he was backed by Putnam's crowd. When the feud erupted, Parris was in the middle of it.

And at the end, many who were against the "Reverend" were hung.

The girls begged Tituba, the pastor's slave, to tell them stories she had heard about Voodoo and island magic.

They became fascinated about spirits, spells and fortune-telling. Their circle grew... *until things got out of hand.*

The girls learned to communicate with spirits, and how to *look* tortured by a witch.

The girls were now ready for Satan to use them, to fill an entire community with fear and hatred.

One night 12-year-old Abigail Williams started screaming that she was being attacked.

The other girls loved the attention and joined Abigail. The doctor claimed they were just "victims," afflicted by the "evil hand" of a witch. *It worked!*

When old John Proctor's handmaid tried that power trip, he instantly "cured" her! But in the end, he was hung as a witch *himself!*

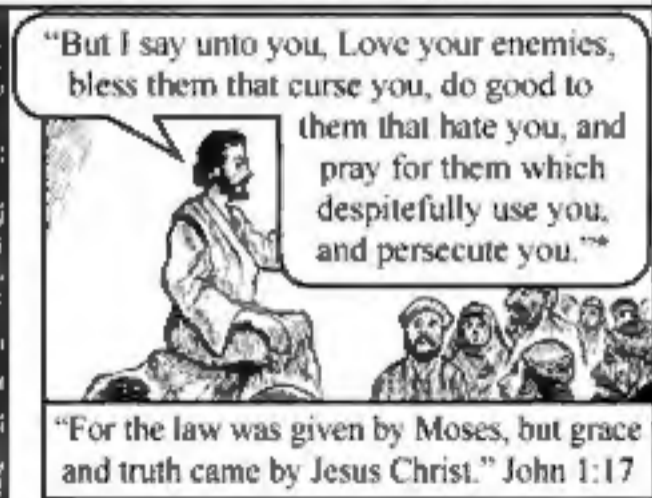

Yet the "innocent" little brats had pulled it off. They were merely pitied and prayed for.

To justify the execution of witches, they made a big mistake. They used the Old Testament law, but never considered New Testament grace.

But the most powerful Person in the universe came to the earth to **save our souls**.

"I am the way, the truth, and the life: no man cometh unto the Father, but by me."^{*}

"For God sent not his Son into the world to condemn the world; but that the world through him might be saved"^{**}

How do you get saved? →

*John 14:6

**John 3:17

To be saved, you must believe this gospel message.

When Jesus left the glory of heaven, no one dreamed who He really was.

He was Almighty God and Creator of the universe.*

*See John 1:3; Col. 1:16; and Heb. 1:2.

"He was in the world, and the world was made by him, and the world knew him not."^{*}

This same Jesus will soon come again and rule the world.**

Here's what He's done for you...

*John 1:10

**Revelation 19-20

Jesus came as the Lamb of God *
He who knew no sin became sin
for us on the cross where He died
for you. **

Jesus shed His precious blood (God's
blood¹) to wash away our sins.²

John 1:29 ** 1 Corinthians 5:21

¹ Acts 20:28 ² Revelation 1:5

He died for witches, liars,
murders — any sin you can
think of. He put it on Himself.

For God so loved the
world that he gave his
only begotten Son that
whosoever believeth in
him should not perish
but have everlasting
life. John 3:16

When He arose 3 days later He
provided forgiveness for all your sins
— **IF** you receive Jesus. See John 1:12

It is a common belief that the world is a flat surface, but in reality, it is a sphere. This misconception has persisted for centuries, despite scientific evidence to the contrary.

Understanding the Earth's shape is crucial for navigation and global communication. The Earth's curvature affects how we see distant objects and how signals travel across the globe.

The Earth's curvature is a fundamental concept in geography and astronomy. It explains why we can only see a limited horizon and why ships disappear over the edge of the world. This knowledge is essential for understanding our planet's true shape.

The Earth's curvature is a key factor in determining the path of objects in space. It influences the trajectory of satellites and the flight paths of aircraft. Understanding this curvature is vital for modern technology and global travel.

Giles Cory refused to confess to witchcraft. He chose this torture rather than stand trial.

He died when they crushed his chest. He was the only one who wasn't hanged.

God-fearing old grandmas were pulled out of their beds and carried off to jail.

Out of a town of 600, about 200 were imprisoned. Their families were forced to pay for their upkeep.

When accused pretty women were
lured to undress and be examined

What are we
looking for?

Lead a mark

Where the devil and his familiars
drank her blood to feed on her soul
Search every inch of her!

They were totally humiliated

How Parris forced his slave
Toussie to say she was a witch
At first she refused

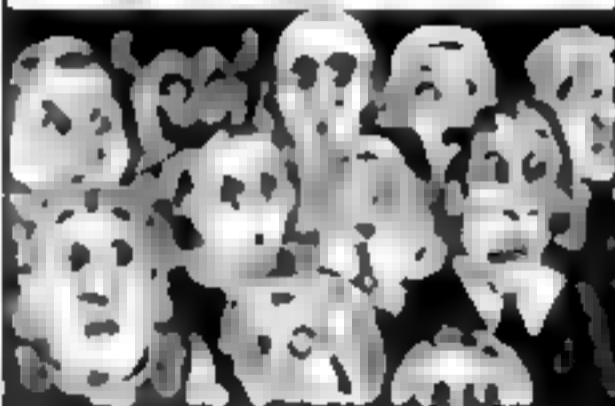

until one night

When they learned that we
were a friendly group, they
were very happy to meet
us.

They had to
wait for
the teacher.

We got the teacher's message and
were very happy to meet
her.

The children enjoyed the
game very much.

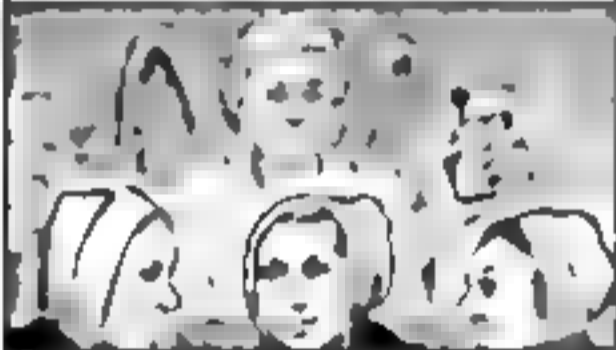

They were very happy to
meet the teacher and
the other children.

The girls claimed special evidence against godly people saying their spirits flew through locked doors to torture them

Who could prove it wasn't true?
Believe it or not (most) were
hung on that charge alone

Focusing only on devils, spirits
controlling and scaring people

These little monsters never
dreamed that angels were
recording every word and thought *

The girls were now celebrities. Other villages begged them to come

And show them which people were witches. Soon the jails were filled with suspects

Nineteen innocent people were hanged. It took several minutes to strangle to death

Family members watched in horror, seeing their God-fearing loved ones slip into eternity

Finally, in their enthusiasm, the girls crossed the line.

They invented "special evidence" against Mary Phips, the wife of Governor Phips. He quickly took official action!

It's over! "Special evidence" is now illegal! Stop the trials and,

Witch hunting ended in the U.S.A. but Salem was devastated, and the name "Puritan" became a dirty word, never to recover

Satan went back to supervise his Roman Catholic Inquisition in Europe That unstoppable killing machine kept going until 1808

Today

The Puntans
hanged our sisters!
We demand equal
rights

In Salem, 20 were
murdered for crimes
they *never* committed

Witches today use this story
every Halloween to get attention

The Catholic Inquisition
produced 68 million
victims from 1200-1808

You can't prove it
There is no
evidence anymore

But " there is *nothing* covered, that
shall not be revealed, and hid. that shall
not be known " Matthew 10 26

Judgment day is coming!

Today, few people think about coming judgment.
But, like it or not —it *is* coming!

The life of every person has been recorded, and on doomsday...

...every word, action and thought will be exposed. Every lost soul will stand before the Lord Jesus Christ to give an account of his life.

Only those who believed the gospel* and received Jesus Christ as their personal Saviour will be saved.

Doomsday will look something like this.

“And I saw the dead, small and great, stand before God; and the books were opened: and another book was opened, which is the book of life: and the dead were judged out of those things which were written in the books, according to their works.” Revelation 20:12

All who rejected the Lord Jesus will face Him as their Holy, Righteous Judge.

He will show no mercy as He condemns them to an eternity of torment. ***You have been warned.***
